ADVISOR • DONALD H. PORTER

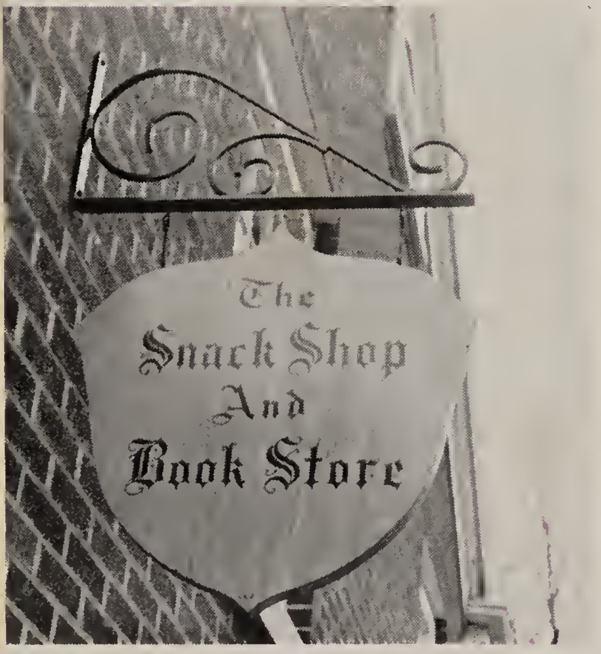
. . . Let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us. Hebrews 12:1

MARION COLLEGE

MARION, INDIANA

When thou goest, thy steps shall
not be straightened; and when
thou runnest, thou shalt not
stumble. Proverbs 4:12

They shall run, and not be weary; and they shall walk and not faint. Isaiah 40:31



The
Snack Shop
And
Book Store

The race is not to the swift, nor
the battle to the strong. Ecclesiastes 9:11

Know ye not that they which run in a
race run all, but one receiveth the prize?
So run, that ye may obtain. I Corinthians 9:24

MRS. W. F. McCONN

In memory of one whose life was closely interwoven with the educational work of the church, who was a capable and steadfast leader of the community, a faithful homemaker and mother, a loving helpmate and companion, and one who manifested a deep faith in God at all times, the Marionette Staff respectfully dedicates the 1954 Marionette to the memory of Mrs. Viva E. McConn.

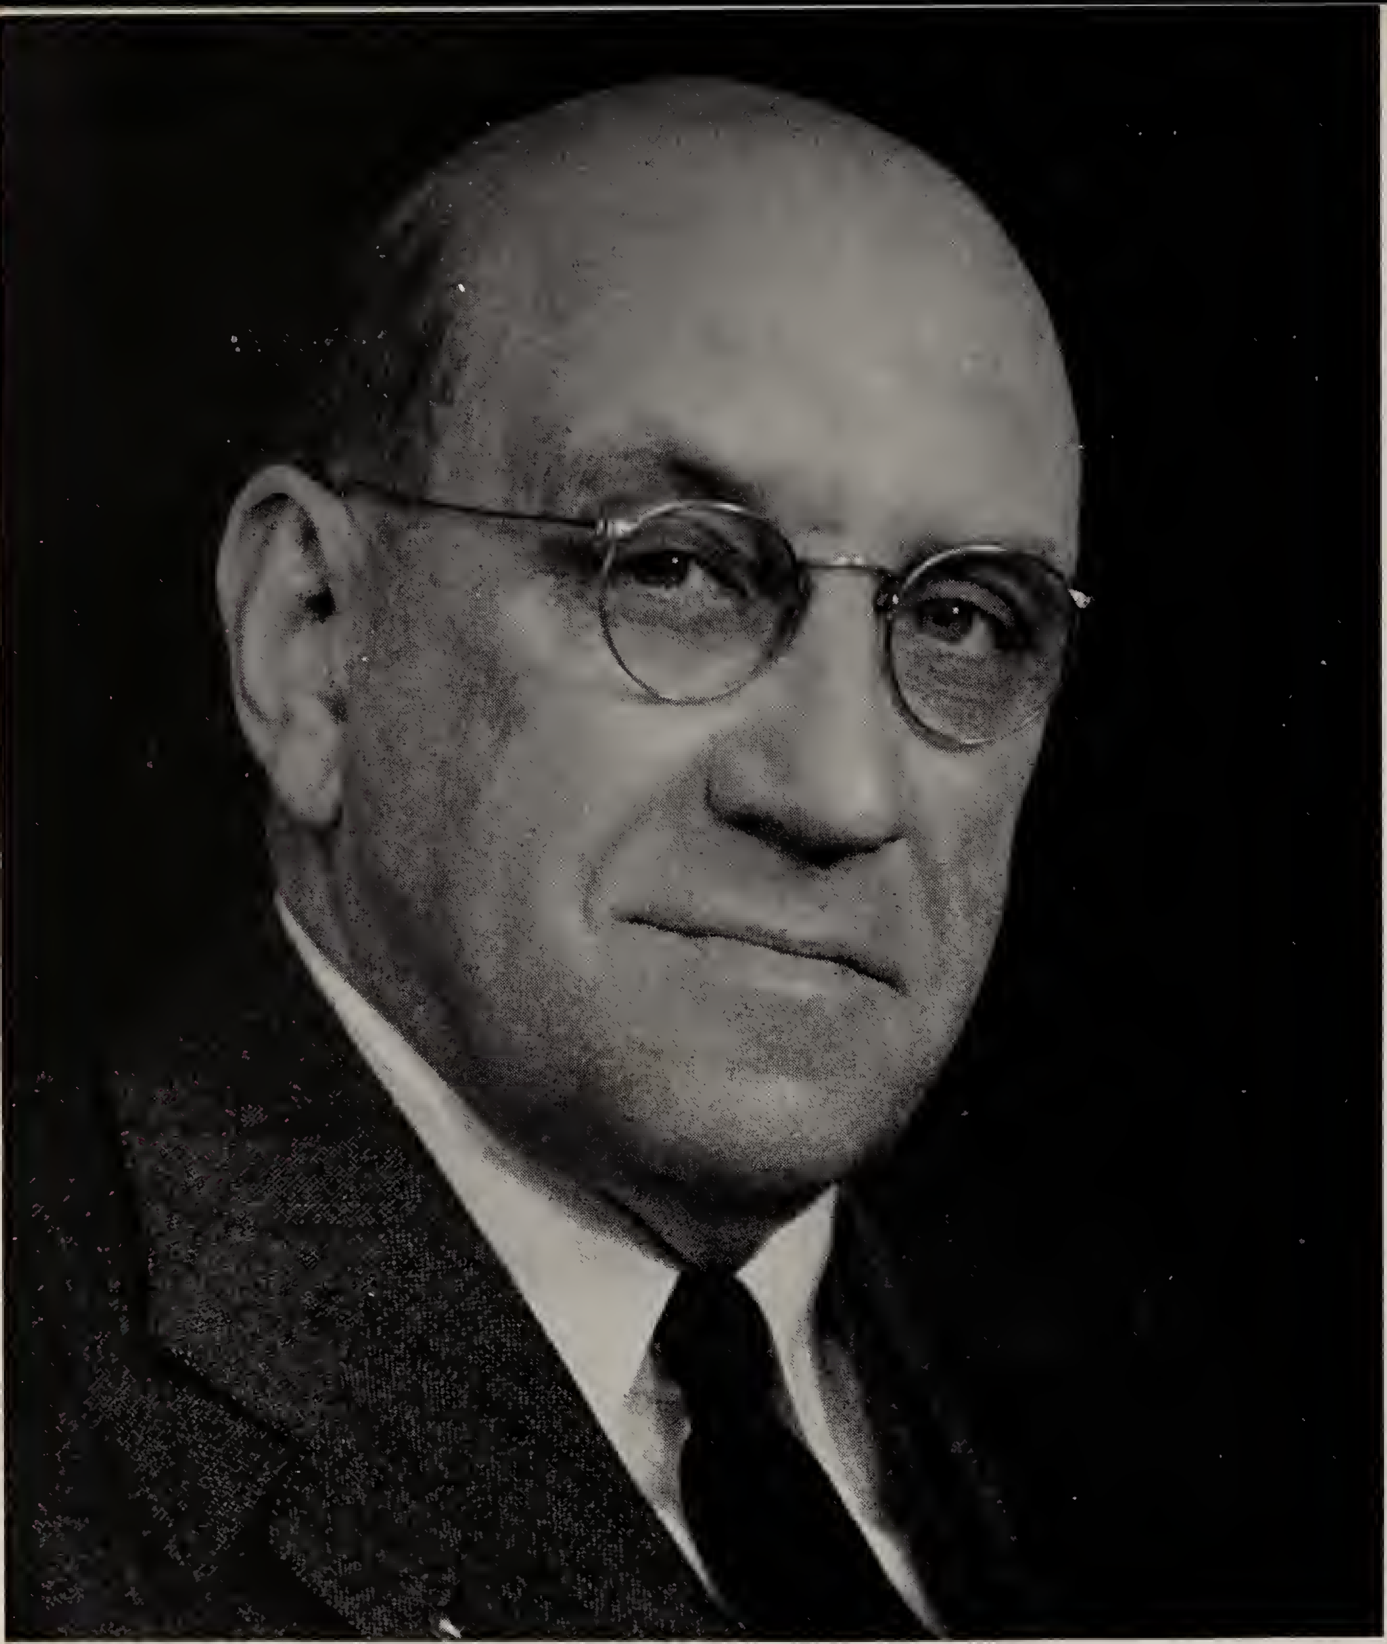
Mrs. McConn, the late wife of our President, came to Marion in 1932. She and her husband moved here from Miltonvale, Kansas, where she was graduated from Miltonvale College with a major in music. She did graduate work at the University of Kansas and Kansas City University.

Mrs. McConn was widely known in educational organizations. She had served as a leader of Parent-Teacher and McCullough Associations in Marion, and Women's Temperance Union of Indiana. She was identified with many religious groups of the city, and to her dying day, August 1, 1953, she manifested a consistent, sweet trust in the Lord.

"With dignity, virtue, and pureness of heart
She strived for the heavenly goal.
Her race is run,
Her crown is won,
Now she reigns as a living soul."

DEDICATION

I have fought a good fight, I have finished
my course, I have kept the faith:
henceforth there is laid up for me a crown of
righteousness, which the Lord, the righteous judge,
shall give me at that day: and not to me only,
but unto all them also that love his appearing.
II Timothy 4:7, 8



William Finney McConn, B.O., A.M., D.D.
President

Serving Marion College for the past twenty-two years, Dr. McConn has been fully occupied with the task of a college president, yet has never hesitated to take time for some student's problem or give a word of counsel and advice. Hardships have failed to retard his steady forward progress and consistent spirituality. Because of his time and service given to Marion College, we are being better equipped for life's race.

ADMINISTRATION

The services of the Administrative Staff have had a large part in the smooth functioning of our daily college life. Their ever-ready greetings and smiles are more appreciated when we realize all the work and activity behind the scenes. The office staffs have worked capably and efficiently to keep the business of Marion College in order.

RELIGION

THE PASTOR

REV. GEORGE FAILING
College Church Pastor

Rev. George Failing, our pastor, came to us from Houghton, New York this year. He has very faithfully served as College Chaplain and has frequently brought us very inspiring chapel messages. At the College Church our pastor has encouraged and inspired us as he fed us from God's word in a warm, tender spirit. The parsonage was always open to anyone seeking prayer and advice, and his understanding ways made it easy for many to seek counsel. Amid the duties of his busy life he still found time to attend many of the College functions; he was never too busy to give that cheerful greeting that can lighten a heavy heart or encourage a discouraged student.

E. Harwell, Jail Evangelist; J. Blocher, Delta Evangelist; R. Pelton, president; J. Young, vice president; Dr. Dayton, sponsor; F. Osland, Old People's Home; B. Walker, secretary-treasurer; C. Wiley, Children's Home.

MINISTERIAL ASSOCIATION

F. Osland, treasurer; J. Young, vice president; R. Pelton, president; Prof. Budensiek, sponsor; C. Wiley, secretary.

SPIRITUAL GROUPS

For the experience and spiritual encouragement several religious organizations are actively engaged in Christian work at Marion College. Each Tuesday evening the Student Conference meets for testimonies and prayer. This group is responsible for regular services in the jail, factories, social institutions, and organization of the gospel teams. The Ministerial Association is made up of those preparing for the ministry and through the purchase of public address equipment has been able to spread the street meetings to outlaying towns. The College Wesleyan Young People's Society has its meetings each Sunday evening and arranges for the special services of Youth Week. Each Wednesday, following the lunch hour, the Foreign Missions Fellowship meets for prayer and discussions to promote missions.

FOREIGN MISSIONS FELLOWSHIP

B. Wille, vice president; Dr. DeVol, sponsor; F. Osland, secretary-treasurer; H. Letonek, president.

From the beginning of the year the Lord has blessed Marion College in spiritual advancement. The Fall revival, conducted by our pastor, Rev. George Failing, was a time of victory for both new converts and those willing to obey God in His further leadings. Our observance of connectional Youth Week was during the last of January with Dr. and Mrs. S. I. McMillen, and song evangelist, Rev. Richard Traver. Miss Carrie Hazzard and Miss Lois Richardson were our Spring evangelists when we again felt the visitation of the Holy Spirit.

MISSIONS

Various efforts are exerted throughout the year to promote the missionary vision and of these the annual Missionary Convention is the most outstanding. This year our hearts were stirred as Dr. and Mrs. Rufus Reisdorph and Rev. George Belknap renewed the challenge before us. The zeal of the students was demonstrated as they accepted an additional project, the support of Rev. and Mrs. Robert Mattke, missionaries to Australia, in addition to Rev. R. S. Nicholson, Jr., in Japan, and Malcolm and Vergie Ellis to leave for Africa this Spring.

VARSITY QUARTET

Eldine Landis, Allison Weatherby, Dave Robertson

From four different states varsity quartet members united their voices as singing representatives of Marion College. Traveling through the area in the new Chevrolet station wagon, the quartet has worked to interest prospective students and share the message of Christ. The early morning practices of sleepy-eyed harmonaring and the blending of personalities as well as the voices of these fellows from Iowa, Minnesota, Illinois, and Tennessee have greatly helped in the work of Howard Noggle, the field representative.

Another group assisting the field representative is the Trumpet Trio consisting of Allison Weatherby from New Jersey. Eldine Landis from Indiana, and Dave Robertson from Pennsylvania. The Trio has represented the school at various times throughout the past year and have continually used their instruments to sound the praises of the Lord. Their value to Marion College can be seen in the constant demand for their services by those who appreciate good music.

FIVE GOSPEL TEAMS

"To take in spiritual growth one must give forth the overflow." The gospel teams, under the sponsorship of the Student Conference, practice this as they travel weekends, Sundays, and during Youth Week to various cities and states. Under the leadership of one of the team members, combined with prayer, and cooperation, the teams have presented many services in which souls have been challenged to a new relationship with Christ. Chalk talks, musical arrangements, ringing testimonies, and messages from God's Word have been the means by which the teams have endeavored to exalt Christ and draw men unto Him.

ACTIVITIES AND ORGANIZATIONS

Council Members; Prof. Huffman, Allison Weatherby, Ronald Macy, Miss Waters, Charles Hood, Esther Calhoon, Walter Rice, Carol Wiley, Stanley Morse, Douglas Childers, Joseph Ledwell.

STUDENT COUNCIL

Do you have a problem? Just bring it before the Student Council and it will be given their careful consideration. This council is composed of the four class presidents, a representative from each class, the president of the council, Charles Hood, and the two social deans, Miss Della Waters and Professor Clarence Huffman.

A closer relationship between student and faculty and the broadening and perfecting of the various Marion College functions has been the main objective of this organization throughout the year. Early in the year the Council made recommendations of candidates for Who's Who in American Colleges and Universities. In December they presented a petition before the student body protesting the sale of intoxicating liquors on American Army bases, which was then sent to Washington, D.C., for the consideration of the President of the United States.

A special talent program presented at Thanksgiving time, under the direction of Stanley Morse, was one of their entertainment features. Shortly before Christmas, a Carol Sing in front of the manger scene on the Triangle added a little Christmas spirit for those busy packing for the holidays. Arbor Day is always looked forward to with eager enthusiasm and backward to with weary bodies and hands, more accustomed to pencils than mops and rakes, for this is the campus cleanup when Marion College gets a new polish for the summer and again we see the Student Council at work!

COLLEGE ORCHESTRA

Four o'clock every Tuesday and Thursday found about twenty-five musicians tuning up for orchestra rehearsal. As a result of diligent practice and earnest persistence the group acquired a varied repertoire, with many of the arrangements done by Stanley More, an orchestra member. It performed at several special occasions this year, including Homecoming, Thanksgiving, and the final Music Recital.

"Now you have a message, young people; do your best!" These and other admonishing words, from Prof. Baker have helped the Chorale to successfully render various anthems, gospel songs, and spirituals more effectively in services this year. The group performed in many local programs besides making several short trips to outside churches, organizations, and schools.

COLLEGE CHORALE

In the year's competition, the Amphictyon Atheletic Society has held true to the meaning of its name, "neighbors." After the bid for members on Rush Day the society spirit remained at a high pitch throughout the year. Rallying from the losses of last year the Amphics pushed forward for an undefeated football season and winners of the MARIONETTE sales contest which began on Homecoming Day. Esther Calhoon was the individual high with 41 sales. Less successful in the basketball season, the Amphics remained enthusiastic and the team sported new red and white uniforms which added color to an exciting season against their victorious opponents. One of the winter features was the sponsoring of the Dixie Four Quartet in a variety program.

Flashing bright green as a token of their loyalty, a spirited group of students, enforced by new recruits, emerged from Rush Day for a successful year at Marion College. The Eurekan Athletic Society was victorious throughout most of the sports activities. The girls won the fall softball series and during the winter term were again winners on the basketball court, making the second undefeated season. Both the men's basketball series were won with a total of nine victories against three losses. Mildred Henry was the Eurekan winner of the MARIONETTE sales contest with 31 sales. This atmosphere of friendly competition promotes spirited rivalry among the students and adds life and color to the campus activities.

EUREKANS

"M" CLUB

The "M" Club consists of the All-Stars chosen jointly from the softball, football, and basketball teams and the cheerleaders of the Amphic and Eurekan Athletic Societies. It is responsible for promoting the inter-society athletics and setting up rules governing the winners of the athletic letters. In the spring term a banquet is given to welcome the new members.

The prospective teachers may become a member of the national organization of Future Teachers of America and participate in the activities promoted by this group whose regular sessions give much help. Marion College is well represented at the Indiana State Teachers Convention which has proven very beneficial. The year is climaxed with entertainment for the supervising teachers by the student teachers.

FUTURE TEACHERS OF AMERICA

PHYSICAL SCIENCE CLUB

Interest in the fields of chemistry, physics, and mathematics brings together members whose regular meetings help to give the students a broader insight into many phases which the classroom cannot cover, and to secure a variety of special speakers which better the understanding in the field of physical science. Each year a photo contest is sponsored with very interesting results.

In what better way could you learn about bugs and grass than on an old fashioned picnic. This is just one feature of the Bio Club. For their more serious attention a monthly meeting is held to discuss biological topics of interest and to those of us who cannot do field study, the Audubon Screen Tours provide an excellent means of both enjoyment and learning.

FRENCH CLUB

Perhaps some may take French for their language requirement on an A.B. degree, but lively interest is what makes those two years worthwhile. This is the object of the French Club whose activities not only bring social enjoyment, but also add to the learning value of the classroom. The enthusiasm of this club is demonstrated in their chapel presentations.

Maybe you don't plan to marry a Mexican, but if you ever plan to go south of the border you will need the benefits of the Spanish Club. Those students who have taken at least one year of Spanish are eligible to become members. With current films and interesting studies of the Spanish customs, the club makes a worthwhile contribution.

SPANISH CLUB

GERMAN CLUB

German Club members have found the German people, their language and ways to be very interesting. They presented the Christmas Story, as the Germans know it, in a featured chapel program. Mrs. Buchen, the sponsor, often entertains the club where they use their adopted language in playing and singing, climaxed by delicious refreshments served in the German way.

The Parnassus Club, which means giving inspiration for writing, is made up of students with English as their major or minor subject. It annually fulfills its purpose by sponsoring the short story and poetry contest, thus finding "hidden talent" within the student body. The Senior girls anxiously await the time in the spring term when the club entertains them at its annual tea.

PARNASSUS CLUB

SPEECH CHOIR

The fall term choric speech class gave rise to the Speech Choir which practiced diligently to improve the art of group interpretation. A wide variety of choral numbers added to the interest and greatly assisted in the development of the vocal abilities. Among the favorites were choice scripture passages and secular numbers "Life," "The Time Clock," and "The Joy of the Hills."

Tryouts are given in the fields of oratorical speaking and interpretative reading, after which a welcoming dinner is given to the new members. The featured activity of this year was the Extemporaneous Speech Contest on the topic, "The Constitution."

FORENSIC CLUB

ART FORUM

Taking as their motto "Simplicity is the keynote to all beauty" the Art Forum meets regularly to profit from a demonstration or lecture on various types of art. Chapel programs are given which present some of the work of the club, and each year the Forum adds to the Art Department in a practical way by presentation of a gift. The project this year was a loom.

SENATORS AND REPRESENTATIVES

Congress Hall is where the Senators and Representatives were in session throughout the entire year, with the gab session quite often lasting late into the nights until the chairman, Floyd Morris, emphatically adjourned the meetings. At the annual Easter Breakfast the girls were pleasantly surprised at the obvious skill with which these fellows prepared the traditional morning meal.

The Big Sister plan was only one of the activities of the Council of College Coeds. Weekly devotional periods were provided in the dining hall and three of the most enjoyable dinners of the year were under their sponsorship. In the Fall term the name of the organization was changed from the Council of Cheerful Comrades to the present.

COUNCIL OF COLLEGE COEDS

EASTER BREAKFAST

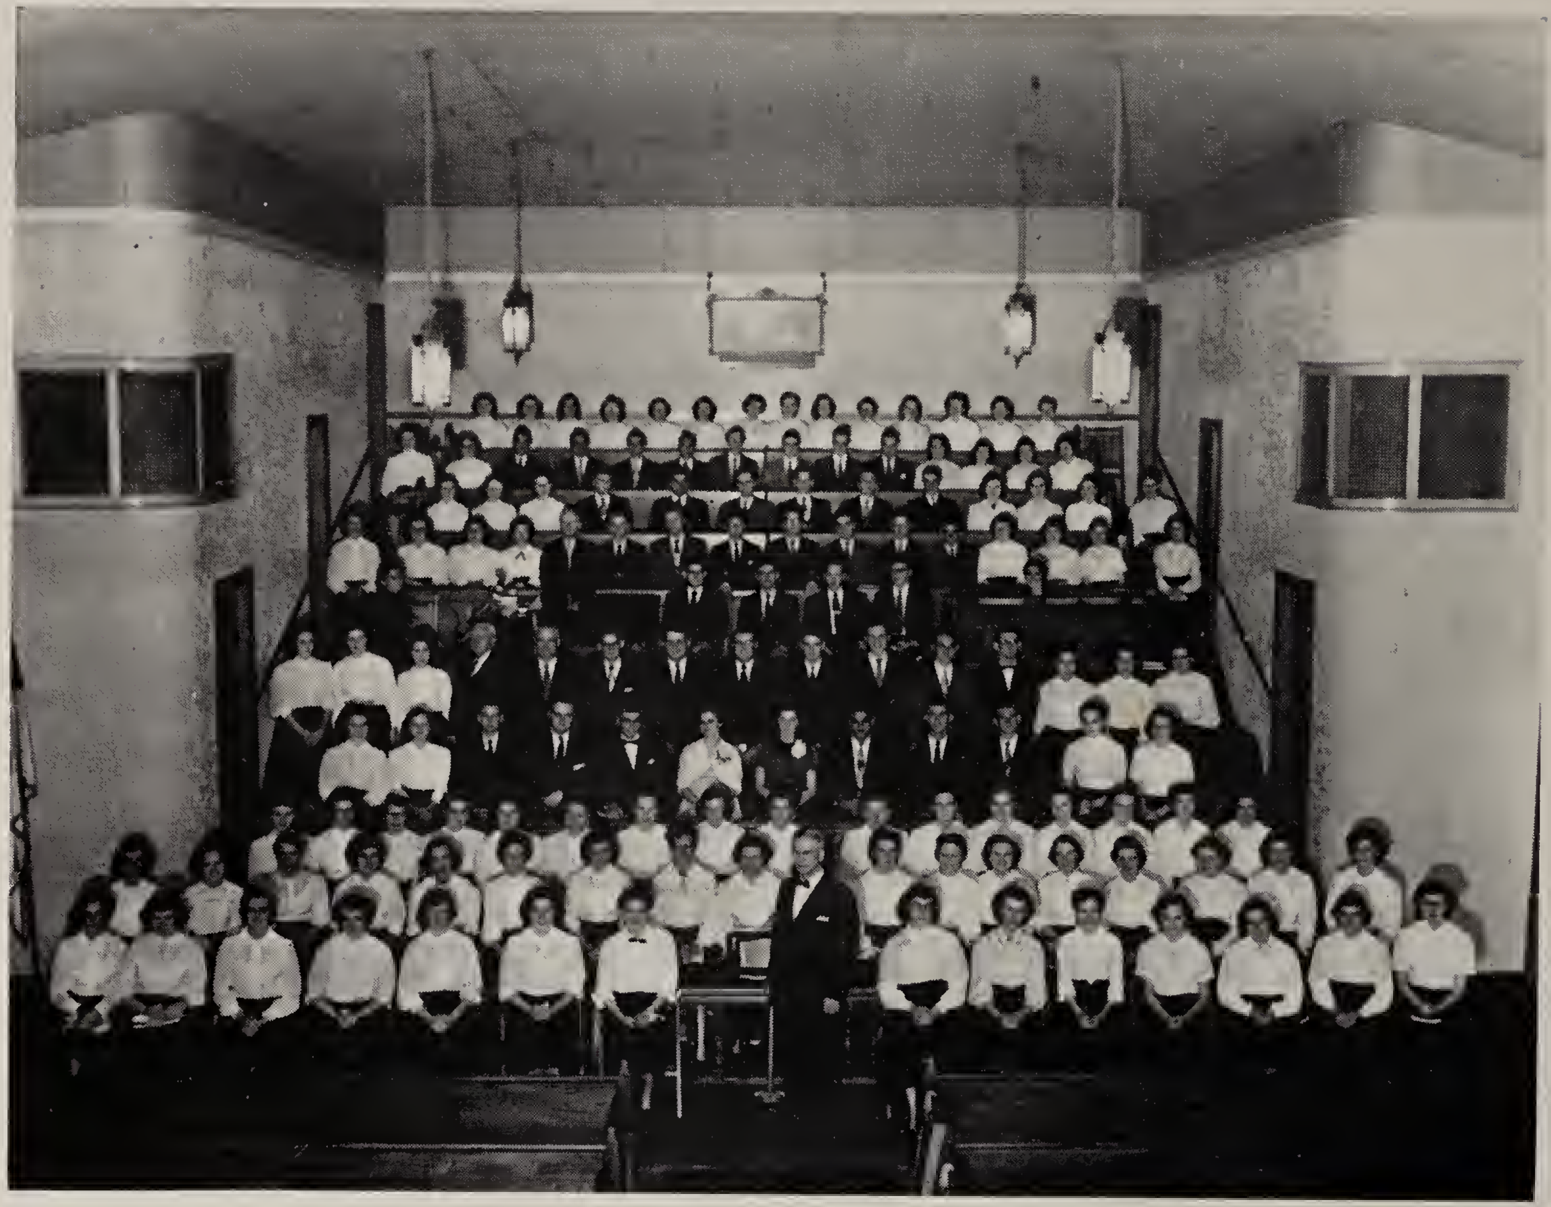
Early Palm Sunday morning found the fellows from the boys' dormitory busily cooking breakfast in the kitchen at Teter Hall. It has become a yearly custom for the Senators and Representatives to demonstrate the masculine kitchen ability, for which they have become famous by their scrambled eggs and bacon. The dining room was appropriately decorated and a brief inspirational program presented by the Congress Hall talent.

"Jesus, which was crucified . . . is not here: for he is risen, as he said." Matthew 28:5, 6.

"Unto us a child is born . . . and the government shall be upon his shoulders." Isaiah 9:6.

Rustling skirts, corsages, and mingling odors of perfume and roast turkey are all familiar characteristics of the Christmas Dinner. The air seems to tingle with Yuletide feeling amid the candlelight, sparkling tree and other appropriate decorations. This dinner, as were the Valentine and Birthday Dinners, was given by the Council of College Coeds, an organization of dormitory girls.

CHRISTMAS DINNER



COMMUNITY CHORUS GROUP

A group of faithful singers was responsible for the strains of music that drifted over the campus each Monday night as they rehearsed for the Community Chorus. Handel's *Messiah* was presented at Christmas to a crowded audience in the College Church, and Gaul's *The Holy City* on Palm Sunday.

At various times throughout the school year the music department presented those students of advanced ability in private recitals, held in the parlor of Teter Hall. Because of their achievements, four of the piano and organ students gave their recitals, the demonstration of whose skills demands our highest esteem. Music lovers look forward to presentations when the previous practice of the students does all possible justice to the great classics.

VOICE RECITALS

The Music Department of Marion College, under the direction of Professor Herman Baker, has produced performers of noteworthy merit. In both Junior and Senior recitals these persons have demonstrated their skill in a program composed of various types of music: numbers from oratorios, opera arias, sacred, classic and modern in Italian, French, German, and English translations. From the first vocalises to the classic arias, much practice is required to present such a recital; however, the experience, applause and a sense of a task well-done is worth it all.

William French, Robert Pelton, Julia Medows, John Cole, Kenneth Brown, Betty Walker

Six outstanding seniors were approved to the honor of Who's Who Among Students in American Universities and Colleges on the basis of scholarship, leadership, character, and ability to succeed.

Julia Medows, of Tuscaloosa, Alabama, is recognized as a capable and faithful leader. She has served as F.T.A. president, secretary of her sophomore and Junior classes, secretary of Musicae, and a member of the College Choir.

Capability and dependability characterize Robert Pelton, a transfer student. His avenues of service included president of Student Conference, Student Ministerial president, and F.M.F. vice President. He was also a member of a gospel team and is now pastoring a church.

A true son of the South, William French came to us as a transfer student from Central. He has shown his outstanding capabilities as editor of the MARIONETTE, president of his Junior class, and Student Council vice president, besides being active in many activities.

A member of Who's Who, who is very active in religious activities, is Kenneth Brown. He has been president of the Student Ministerial Association, Delta Evangelist, a member of the College, Choir, Amphic treasurer, and S.A.R. president. He, too, is now pastoring a church.

A very capable leader from Louisville, Kentucky, is John Cole, a transfer from Central. He led as vice president of his Junior class, and president of the "M" Club. He has been a member of the Varsity Quartet and the College Chorale.

Betty Walker has proven herself as a reliable, capable leader. After serving as assistant editor, she was editor of the *Journal* this year. She has also been active in the College Choir, Student Council, Musicae, F.T.A. and Parnassus Club.

Here is your 1954 MARIONETTE. The one the editor spent night and day laboring over, the business manager went crazy bargaining over, the photographer got seasick swimming through, and the poor sponsor kept wondering about. Now it is complete!

If you had been a frequent visitor of the triangle this year you would have heard members of the staff asking: "Say have you had your picture taken yet? We'll make the appointment, but you had better be there." "Oh, when will I ever finish this article? Inspiration, where are you?" "Say, editor, what do you do if the fellow doesn't want his picture taken—put him in the obituary column?"

The staff has tried to publish a book worthy of your reception. It is our prayer that in the future as this publication reminds you of '53-'54, you shall be encouraged to "run with patience," "for in due season we shall reap, if we faint not," and "receive a crown of glory that fadeth not away."

Chapel announcement—"*Journal* assignments are posted in the *Journal* office." Let us follow our editor, Betty Walker, as she regulates the processing of the paper from the mad scramble of reporters to check their assignments, to the last sigh when all are in the mail, which is half a sigh for the next issue that must begin immediately. Deadline Friday? This is Friday! All articles in? Well at least some can be copy read, typed, copy set, proof read—where is Walter? A dummy is set up, journalistically speaking, and returned to the printer. That blank space—Shirley didn't have her article in. Now the finished product is folded and distributed to Marion College students, alumni, and other subscribers.

This year the staff sponsored a birthday calendar on which the birthdays of all faculty and students appeared. The money raised from this project was used to send the *Journal* to 80 of our foreign missionaries who received the paper each time it came out, tri-monthly, during the school year.

An inspired Amphic Athletic Society copped four straight games to garner the 1953 football championship by putting together some outstanding defensive play with a few potent long pass combinations.

The once powerful Eurekan juggernaut failed to push over a single tally during the regular competition, and only in the 19-6 Amphic victory on Homecoming Day did the Green and White score. This game was not counted in the Championship series.

The Amphics were coached by Gordon Carrier with Co-captains Fred Vandine and Harold Bardsley. John Cole led the Eurekans. Injuries were slight and sportsmanship tops, which added to this very interesting and thrilling season.

The Eurekan women's softball team won the fall series by taking two out of three contests from the Amphictyons. The leading hitters for the Green and White nine were Maggie Seymore and Beverly Chess while the opposing team was led by Pearl Shei and their captain, Mary Dyer. The victors were successfully directed by their captain, Mildred Henry.

The Eurekan varsity cage team clinched their third straight intra society title by downing the Amphicyton basketeers 46-37 in the fifth game of a seven game schedule. The triumphant Green clads, co-captained by Larry Hughes and Harold North, averaged a neat 67 points for each contest, while the losers, led by Fred Vandine and Dick Darst, combined for a respectable 60 markers. Harold North walked off with season and team scoring honors. His 131 point total and 18.7 average per game topped all scorers. Teammate Larry Hughes was runner up with 104 point season total. Hal Bardsley accumulated 84 markers

to top the Amphies in that department, while Gerry Jack's 12.6 average was high for the Crew. Dick Darst twitched the twines for 30 tallies in the finale to garner individual honors for one game.

The "B" series turned out to be close. Each squad copped two wins which set the stage for the deciding finale. After a climactic tussle, the Green boys eked out a 42-39 victory over a valiant Amphic team. Top season scorers for the winners were Robert Wilmot and Phil Pearson. while Carl Heinlein and Stan Morse were high for the losers.

The Eurekans women's cage squad was crowned champs of the '53-54 campaign, as they whitewashed the Amphictyon sextet, to complete their second consecutive undefeated season. The champs hold a ten game victory skein. This was not an easy task, however, for a glance at the records shows that in three of the five contests, the margin of victory was four points or less. The torch bearers averaged 39.8 tallies per game, while the Amphic six combined for a 30.8 average. Individual season record holder was Gail Newby, leading the Green and White with the highest point total, 69, and the most markers in one game, 24. Mary Dyer led the Crew with a 50 point total.

Adding to the athletic program this year has been the introduction of Volley Ball, a sport that can be enjoyed by both fellows and girls simultaneously. With the provision of an outside court it has given some excellent spring recreation. The school series was played on an intramural basis.

VOLLEY BALL

TRACK

The interest in track this year was particularly due to the presence of a number of capable runners. Competition was arranged on an individual and society basis. The leading event was Field Day in which the majority of popular track events were held such as the 100 yard dash, 220, 440, half mile, mile, relays, high jump, and standing and running broad jumps.

The 1953 version of the All-Star football team was chosen by members of the Amphic and Eurekan society teams and was picked on the basis of ability, performance, and sportsmanship. It was a difficult task to name the eleven best players for some had to be left out and competition was close for every position.

The squad was relatively small in size, judging by most football teams. The average weight was 164 pounds—a light, but shifty crew. There was a fair distribution of players; seven were from the Amphic squad and four from the Eurekan. In regard to states, three were from Indiana, three from Ohio, and one from each of the following states: Illinois, Kentucky, South Carolina, North Carolina, and New Jersey. Honorable Mention went to Bob Wilmot and Ronald Smeenge.

Eleven basketeers were selected by the team members of both societies to represent the 1954 Basketball All-Stars on a basis of athletic ability, sportsmanship, and teamwork. Although season statistics show that the boys squad would combine for a respectable 64.2 average per game, they are capable of exploding for super-sonic scores as was demonstrated by their victorious 110-76 rout of the All-School quintet in a post season classic. The overall height is only 5'11" but the "shorties" are capable of rugged rebounding and could hold their own against taller opposition.

All six of the girls chosen for that department have exceptional athletic abilities and were standouts in their respective positions during the season. The three guards were mainstays on defense and each forward had an accurate eye for the hoop with almost identical scoring averages. The first had a 10.6 average and the remaining two an even 10 counters per contest.

a dramatic documentary of Old Testament prophecy fulfilled in present-day Israel. Filmed on-the-scene in the Holy Land, this full-length picture will thrill you with its stirring story. Highlighted against the background of a nation's rebirth, you'll SEE:

THE LAND OF ISRAEL

. . . gorgeous color shots of the land which once was desert and which today, under the skillful, untiring efforts of the Jewish people, is beginning to "blossom as the rose."

presented by
AMERICAN ASSOCIATION FOR JEWISH EVANGELISM WINONA LAKE, IND

Objectives

1. To establish and maintain Jewish evangelistic centers, and to employ every known and approved method for leading Jews to Christ.
2. To prepare and distribute timely literature for the definite purpose of making the Gospel of Christ intelligible to the modern Jewish mind.
3. To co-operate with, and to strengthen and sustain to the fullest possible extent, all kindred agencies for bringing Jews to Christ.
4. To assist local churches desiring to include Jews within the scope of their ministry.
5. To use radio facilities for broadcasting the Gospel message to Israel, in Yiddish and in in English.
6. To co-operate with approved colleges, seminaries, and Bible schools in preparing workers for definite evangelistic work among the Jews.
7. To prepare for the widest possible evangelistic activity among Jews at home and abroad, having especially in mind the rehabilitation of Jewish life in Europe and the anticipated growth of the Palestine settlement.
8. To maintain a center for Prophetic Bible Study and interpretation at Winona Lake, Indiana and to extend the comfort and inspiration of prophetic truth to God's people in various parts of the country by means of Bible conferences.
